

Martin School of Public Policy and Administration
Supplementary Funding Interest Form – Master’s Programs

Instructions: Please fill out the below information to signal interest in funding support for a Martin School graduate program. Funding is awarded competitively, and awards are subject to availability.

1. Name:

2. Program applied to:

3. Do you have previous experience in state government? Explain

4. Please review the self-nominating and DGS-nominated fellowships available through the university: <https://gradschool.uky.edu/fellowships>. Do you meet any of the stated criteria for eligibility? If so, please list the fellowship(s) and the criteria you satisfy:

5. If you are selected for funding, please rank (1, 2, 3) your preference for type of position:
__ Research Assistant: work on research with a Martin School professor.
__ Research Assistant: work on research with a partner organization outside of the Martin School
__ Graduate Assistant: work on program administration within or outside of the Martin School

6. Please briefly describe (no more than 500 words) why you are seeking funding. Please provide any additional information that may be relevant to funding decisions beyond what was included on your application for admission.
